

ARCHIVESCANADA.ca Donor Program Form

Thank you for choosing to **donate** and help make accessible the many treasures held by small archival institutions across Canada. These small institutions are often non-profit organizations that operate through the generosity of volunteers to help preserve and make accessible our documentary heritage. To this end, donated funds will be used to provide financial assistance primarily to these small archival institutions to undertake the description, preservation and digitization of records. Donations may also be used to support the technical infrastructure of ARCHIVESCANADA.ca.

ARCHIVESCANADA.ca is an official portal designed to satisfy the need of all Canadians in providing online access to record descriptions held in archival institutions across the country.

You can mail this form along with your donation to the address mentioned below. We will process your donation and send you a receipt for your tax records.
